

PLASTIC TAXES

Tailor-made development that provides a solution to the legal obligations contained in the state waste law (Law 7/2022 of 8 April) that aims to reduce the use of non-reusable packaging containing plastic.

Who is it addressed to?

- Companies required to declare plastic tax on the manufacture/sale, import or intra-Community acquisition of packaging containing non reusable plastic.

¿Qué obligaciones legales cubre?

- Accounting obligation
- Registration obligation
- Tax obligation

Ventajas

- Simple solution, based on the study of our clients' business processes.
- Functional development that is limited to responding in a practical way to agreed state requirements.
- Flexible to all processes of different companies.
- Possibility to act as a HUB/node of different information sources.
