

SEND SALARY RECEIPT

Application that allows you to send salary receipts by email to employees in PDF format, allowing you to add an encryption system.

Who is it addressed to?

- To all the companies that want to notify the payroll receipt via e-mail to their employees.
- In addition to covering security requirements, since the file will be sent encrypted, and it will be necessary to enter a password by the employee.

What technological solution does it cover?

- Allows you to send the receipt generated by the payroll process in SAP HCM.
- It allows to establish a logic to determine the e-mail of the employee from the different ones that could exist in the SAP HCM system.

Advantages

- Notify employees of salary receipt.
- Saving time, paper and ink.
- Confidentiality.
